- ii) Substantial amount of statutory dues amounting to **Rs. 660.14 Lakhs** has become overdue and remain unpaid. Interest, penalty if any in respect of the same has remained unascertained and unaccounted for.

Our opinion is not modified in these matters.

#### 7. Material Uncertainty Relating to Going Concern

We draw your attention to **Note No. 4** of the financial statements regarding preparation of the financial statements on going concern basis, for the reason mentioned therein. The company has accumulated losses during the quarter ended 30.06.2021. As on date the company's current liabilities are substantially higher than its current assets and net worth has also been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon the debt resolution of the company which is under process, the company's ability to raise requisite finance, generation of cash flows in future to meet its obligation and to earn profit in future.

Our opinion is not modified in these matters.
